Robbie Hall Parker Elementary

Leaders of the Month

Congratulations to our October Leaders of the Month! Each month one student from each class in Preschool-6th Grade is recognized for their outstanding leadership skills in and out of the classroom. These students truly follow the 7 Habits every day! Thank you leaders!

Family Skating Night

On November 3rd Parker Elementary School invaded Great Skate. Over 150 students, parents, siblings, and staff showed up to lace up their skates for the night. Thank you to the Parker PTO for organizing another great night for our families!

Fall Harvest Dance

Our first Fall Harvest dance took place during the school day on October 27th. Every Parker student was able to attend and take part in the festivities. While the DJ played music for dancing, students were also able to play video games on the game bus, jump around in the bounce houses, purchase snacks, and visit with friends. It was a great way to jump into the fall season!

FALL HARVEST FUN!

Lead Time

Every other week our students in preschool-6th grade take part in Lead Time. For 30 minutes the entire student body changes their classroom to meet with their Lead Time family. During this time the students and teachers do a Leader In Me activity around one of the 7 Habits. It is a fun way for students and teachers to get to know each other across all grade levels!

Volleyball Game

The 6th graders from all three elementary schools were invited to Clintondale Middle School to attend a volleyball game. Students were able to meet staff from the Middle School, have pizza before the game, and cheer on the Middle School Girls Volleyball team! It was a great introduction to Middle School for our 6th grade students. Thank you Mr. Hamden and Mr. Baldwin for organizing this event!

Parent Teacher Conferences

Thank you to everyone that was able to attend Parent Teacher Conferences this month. It is so important for us to meet and work together as a team to ensure the best education for all Parker students.

Thank You!

Thank you so much for your generosity in helping donate over 1,000 items to our food drive! Our student Lighthouse Team, led by Mrs. Hemler, did an outstanding job organizing this year's food drive. Parker families truly have the biggest hearts!
